Dear NASDAD Members and Friends,

The 72<sup>nd</sup> Annual NASDAD Convention has come and, sadly, gone. What a fine weekend we experienced in Georgetown, Washington, DC, at the Washington Marriott Georgetown! The weather was very favorable and we were within walking distance of many amazing historical sites and neighborhoods. Together we fellowshiped, worshipped, dined, and learned about what NASDAD is doing around our world in support of dental missions. We also celebrated seven of our colleagues who were recognized for joining the ranks of those with Life Membership.

The Spiritual Emphasis for the weekend was brought to us by David Trim, Ph.D., F.R.Hist.S. who is Director of Archives, Statistics, and Research at the General Conference of Seventh-day Adventists. On Friday evening we learned about how the Adventist Church went global with the the message of the Seventh-day Adventist church. Today, the worldwide nature of the Seventh-day Adventist Church is one of its most distinctive characteristics yet early Adventists believed that God did not call them to work anywhere except in North America! Gradually, that changed, as they came to understand that the great commission and

Revelation 14 really meant “all the world” and “all people”. The Sabbath Sermon featured the gospel and Ellen White both of which set out very clearly how Jesus reached people of His day. In our own day, in our own country, where society is highly secular, old methods of evangelism are increasingly unsuccessful, a return to Christ’s method of reaching people offers a way forward. This method comes from being actively involved in our communities and having compassion on people, as Christ did. We found Dr. Trim’s delivery of these messages engrossing, entertaining, and inspiring as well as challenging.

David Trim, Ph.D., F.R.Hist.S. Director of Archives, Statistics, and Research at the General Conference of Seventh-day Adventists

Three of six LLUSD students, attending, Kyim Mung, LLUSD c/o 2017, Cheiryl Pactanac (c/o 2017), and David Bowen (c/o 2016) led the worship through music for Vespers, Sabbath School, and Church. Kyim diligently worked to prepare songs, some new and some old, which would set the tone for spiritual, worshipful, and reflective services. In addition, these 3 students also provided the special music selections.

Sabbath School program during each convention focuses on DENTAL MISSIONS. We enjoyed 2 presentations from students from LLU School of Dentistry who participated in Service Learning Mission Trip. Elaine Bersaba, LLUSD c/o 2018, was not able to attend the convention but she shared a video that she created after her Service Learning mission trip to Haiti. Also, Ruslan Zmievski, LLUSD IDP c/o 2016, and Austin Owen, LLUSD c/o 2018, shared a presentation about the mission trip they took to the country of Bangladesh and expressed how these mission trips were life

changing. They learned to take the time to listen to the people around them and to make an effort to learn more about the person.

They expressed that these mission trips created a desire to continue to participate in future mission trips, to bring tender care to those who need it, and to show God's love through tending to the physical needs expressed. In addition to the presentations by

Doyle Nick

the students, Doyle Nick, DDS, MS present about how NASDAD is working to support dental missions around the world. He told the group about how NASDAD accepts donations of dental equipment, both new & used, so that

NASDAD can assist mission projects in need of equipment? Over the past few years, brand new mission dental clinics have been established in Namibia, Angola, Togo, and Guyana. Donated items were used to help make these clinics become a reality and monetary donations to the Year Around Mission Money (YAMM) fund were used for these and many other projects. Next year NASDAD plans to send a Pan-xray to the small African of Lesotho where the Maluti Hospital Dental Clinic will be the only clinic in the ENTIRE country to offer Pan X-ray service. There are so many opportunities to show God's tender compassionate care to those who so desperately need it!

Two offerings were collected, the YAMM offering during Sabbath school which totaled \$8000 (and counting) and the Mitchell offering during Church which totaled \$375! Projects such as shipping donated dental equipment, refurbishing equipment, and purchasing supplies, equipment, and materials are only possible when NASDAD friends and family support the Year Around Mission Money (YAMM) fund. Outgoing Deferred Mission Appointee Missionaries benefit from the Mitchell fund. Did you know it's not too late for you to support the YAMM and Mitchell funds? You can visit our website, <http://nasdad.org/online-giving/>, to add your contribution to the YAMM and/or Mitchell funds. 100% of the funds are used to support the appropriate projects. Not one

penny goes to operating expenses or anything else!

George Gibb, New Life Member  
Doyle Nick, NASDAD Executive Director

On Saturday evening, NEW LIFE MEMBERS were recognized, faithful supporters who have been members for 25 years!! The New Life Members are: Jady L Chiakowsky, Bonnie M Everett, Ronald E Fritz, George A Gibb, Marlin G Meharry, Michael L Potts, and Miroslav M Stanic.

CONGRATULATIONS! During the banquet we were fortunate to have pianist Liz Miranda-Charnichart set the tone for an evening of celebration and amity. Her talents and time were very much appreciated!

years of service to NASDAD. We look forward to his continued involvement and energy to be infused into the organization. We also welcomed our next President, Dr. Rob-

Passing of the Presidential Gavel  
Landon Libby and new NASDAD President Robert Stacey

Before the banquet concluded, we had the opportunity to express our THANKS to the outgoing NASDAD President, Landon Libby. Dr. Libby was the fearless leader for 2 consecutive years and brought a reinvigorated energy to each meeting and event. He was presented with a clock, engraved to commemorate his 2

ert Stacey of Loveland, Colorado. Dr. Stacey has already been working on the convention, October 14-17, 2016 at Cheyenne Mountain Resort in Colorado Springs, Colorado so we hope you can make plans to join us next year!

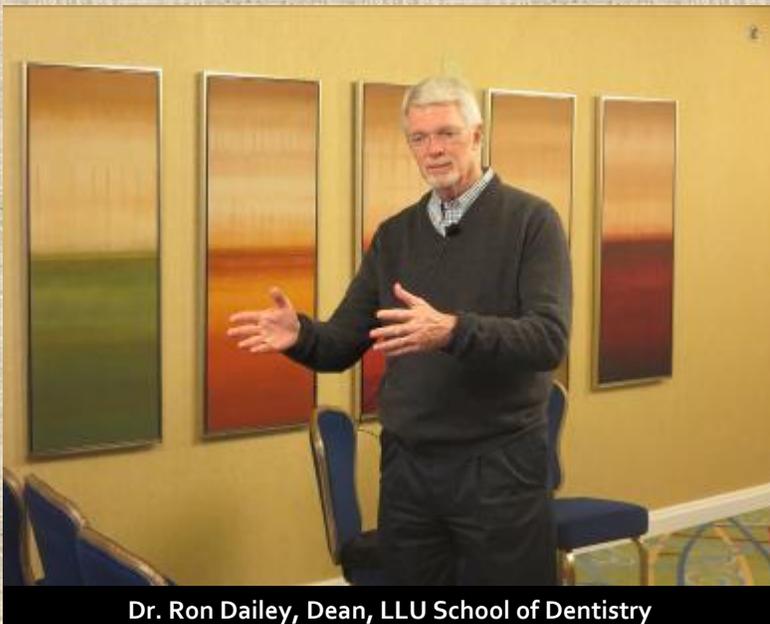

Sunday morning, after getting an extra hour of sleep thanks to the time change, Dan McEowen, DDS presented 4 hours of continuing education to the about 30 dentists, dental hygienists, and students. The subjects presented were The Use of Cone Beam Radiography, Treating Sleep Apnea and Snoring in the Dental Office, and Minimally Inva-

CE Speaker, Dr. Dan McEowen

sive Implantology. Dr. McEowen shared his vast experience in a practical, helpful way that was much appreciated.

On Monday morning, Dr. Ron Dailey, Dean at LLU School of Dentistry, had an opportunity to give an update about what is taking place at the school. The school is approaching another accreditation so all departments are in full gear so

Dr. Ron Dailey, Dean, LLU School of Dentistry

that the process is a success. He told about several areas within the school that have been recently updated to be more efficient, such as the Radiology department.

If you were able to attend this event, the NASDAD Board of Directors would like to THANK YOU for being a part of what made the 72<sup>nd</sup> Convention successful and special.

If you were not able to attend the convention, the Board of Directors would like to invite you to attend in Colorado Springs next October 14-17, 2016! Come and be a part in making that weekend special and unique!

**\*More pictures from the weekend can be found at the end of this newsletter!!\***

## ***Offerings Collected During Sabbath School and Church***

### **YAMM (Year Around Mission Money)**

A YAMM offering is collected during the Sabbath School program. YAMM funds are used throughout the year to support the various mission projects that are voted by the Board of Directors, such as shipping donated equipment overseas to a mission clinic.

### **Mitchell Fund**

The Mitchell Fund was formed in honor of Dr. J. Russell Mitchell. Its purpose is to help outfit new missionaries who are Deferred Mission Appointees getting ready for mission service. It can be used to purchase specific supplies and equipment for the clinic that would be helpful in an overseas practice or personal needs for the family to help in the transition.
