NASDAD 83rd Convention 2026

Steps to Sign Up

NASDAD is sponsoring SNASDAD members to register. Here's what you need to know.

1. Students must have a current SNASDAD membership (which is complimentary). Complete the convention registration including signing up for meals and the Saturday night banquet, reserve lodging, and coordinate transportation. Following the convention, students submit receipts or other documentation for reimbursement to the NASDAD office. If your schedule allows, you are welcome to come earlier for the group activities and continuing education, however additional nights of lodging won't be included.
2. **LODGING:** Reimbursement assumes students will be sharing a standard suite at the resort, with four students per room. Coordinate with the SNASDAD leadership for room assignments. Friday and Saturday night lodging will be refunded for 1/4 of the room charges (up to $33/night based on four students per room). You are welcome to stay with less than 4 per room, and pay the additional expense out-of-pocket.
3. **MEALS:** We encourage students attend the dinner on Friday ($70), and the Sabbath Lunch is included. Be sure to plan to attend the Saturday Night Banquet which is a Fiesta theme ($125). The meals will be reimbursed 100%.
4. **TRANSPORTATION:** Transportation is not provided, however, SNASDAD leadership may be able to assist with arranging car pool transportation. Transportation will be reimbursed up to $20 per student.
5. **VOLUNTEER:** We count on students to share their skills as volunteers for the convention. SNASDAD leadership will help match you in an area of interest. We need volunteers to assist with:
   Friday evening vespers - participate with music, act as a greeter, take photos
   Sabbath morning program - work with the children's morning worship program, participate with music for the main Sabbath worship, act as a greeter, take photos
   Friday and Saturday meals - help at the beginning of meals checking in guests, take photos
